

To Our Community Business Neighbors,

**Business Name**  
**C/O Personal Contact**

We are Centennial High School Spartan Regiment with over 150 exceptional students participating in Marching Band, Color Guard, Winter Percussion, and Winter Guard. The time commitment required of these students is unparalleled to any other high school extracurricular activity. Band students devote hundreds of hours of work preparing, practicing, performing and competing, focusing on teamwork, discipline, leadership and perfecting musical skills. The Centennial High School band program has grown tremendously over the past 3 years of its existence claiming multiple awards at marching, percussion, and guard competitions.

Our Centennial High School Indoor Drumline traveled to Dayton, Ohio in April and RANKED #1 IN THE WORLD for the 2017-2018 WGI Scholastic Open Class after competing against over 200 other high school bands from around the world. The self-discipline, determination and diligence needed to perform and compete at such high levels are traits that carry over into intellectual pursuits that lead to a lifetime of effective study, work habits and produces young adults that have a positive impact on their communities. But we cannot do it without your support!

The true measure of our success as the band boosters and music directors is to allow these fine young musician students the opportunity to continue to grow musically and allow the Centennial Band program to mature and develop to become a great tradition for future generations in our community. The money raised will support the growth of the band programs as we need to purchase additional instruments, music, repair, replacement and upkeep of instruments, competition fees, trips, transportation and uniform replacement.
